JINDAL GLOBAL LAW SCHOOL
UNDER GRADUATE & POST GRADUATE PROGRAMMES
O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:10 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy; pluralism and rigorous scholarship; and globalism and international engagement.

JGU has established nine schools: Jindal Global Law School (JGLS), Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSGP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF) and Jindal School of Environment & Sustainability (JSES). JGU has been granted with "Autonomy" by the University Grants Commission and the Ministry of Human Resource Development, Government of India, for receiving the “A” Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy.

JGU has made history by breaking into the QS World University Rankings 2020. We are also the only Indian private university in the top 150 ‘young’ universities in the world (under 50 years of age) in the QS Young University Rankings 2020. JGU is the youngest University in the world to feature in both these rankings. In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status.

Jindal Global Law School (JGLS), India’s first global law school is situated on a 80-acre state of the art residential JGU campus. The vision of JGU is to promote global courses, global programmes, global curriculum, global research, global collaborations, and global interaction through a global faculty. In the academic year 2020-21, JGLS offers a three year B.A. (Hons.) in Legal Studies programme; a five year B.A. LL.B. (Hons.) and B.B.A. LL.B. JGLS is active in hosting conferences, seminars and public lectures on some of the most important issues related to law, society and business. These conferences are led by faculty initiatives under the aegis of the various research centres. Knowledge creation through dialogue and discourse has been the most fundamental source of academic inspiration throughout history. Joint conferences, symposia and workshops enable researchers, faculty and even students of JGLS to come together and discuss wide-ranging topics on a decided theme. This not only helps to build a strong multi-jurisdictional or inter-institutional dialogue, but also enables critical perspectives to develop from the ‘meeting of minds.’ JGLS has been mindful of the benefits that such exercises in knowledge creation bring, and has therefore partnered with several law schools around the world to produce an intellectually stimulating environment for research.

JGLS is also conscious that the conferences should not merely act as a discursive event, but should translate into some form of publication or research project, so as to disseminate the research that the conference explores.

This experience gives students a better sense of what it means to be a global citizen. In addition, many employers value such exposure, which increases the students’ employability and job prospects. In some cases, credits earned during the exchange semester may count towards an LLM degree pursued after graduation at the same institution. INTERNATIONAL HIGHER EDUCATION OPPORTUNITIES

JGLS has inked historic Memoranda of Understandings (MoUs) with prominent American universities to establish double-degree programmes. Through these programmes, students will be able to earn an L.L.B. (or a B.A./B.B.A.L.L.B.) from JGLS and a J.D. from the partner American University, in as much as two years less time than it would otherwise take, if they were to pursue these degrees sequentially. This reduction of two years does not in any way affect the rigorousness of the course, and students get two separate degrees of L.L.B. and J.D. in four years (and B.A./B.B.A.L.L.B. and J.D. in six years). This is done through extended exchange frameworks and credit transfers.

The three universities with which we currently have this arrangement are: Cornell University, Indiana University Bloomington, Maurer School of Law and University of Arizona, James E. Rogers College of Law. Both these institutions offer generous scholarships to JGLS students in the past.

NATIONAL AND INTERNATIONAL INTERNSHIPS & PLACEMENTS

The Office of Career Services (OCS) at JGLS requires and assists students in pursuing at least one 4-week internship during each of their term-break during summer and winter. Such internships are pursued by our students in a variety of organizations and institutions both within and outside the justice administration system. The internship program at JGLS is designed and administered with a vision of broadening the horizon of career opportunities that students are able to seek post completion of their legal education, ensuring that all the students can leverage on the internship program towards fulfilling their diverse career aspirations. Students are guided from their first day at the law school to understand the kind of internships they should be working towards and hand-holding is provided in understanding nuts and bolts of securing and succeeding in such internships.

The OCS also supports JGLS students in securing internships in their home towns and various cities around India through large database of recruiter contacts regularly maintained to ensure availability of diverse internships to cater to each students’ specific needs and requirements. JGLS students also receive mentorship in building their recruiter contacts and developing necessary soft and hard skills by becoming student representatives at OCS, thereby gaining an edge in furthering their career objectives.
