

Placement Report – 2018 Graduated Batch

JGLS is committed to providing global legal education to its students. The curriculum and pedagogy is designed to give extensive exposure to students to domestic, international and comparative law courses, and the same has been upheld by the vast trust shown by recruiters in this season of placements.

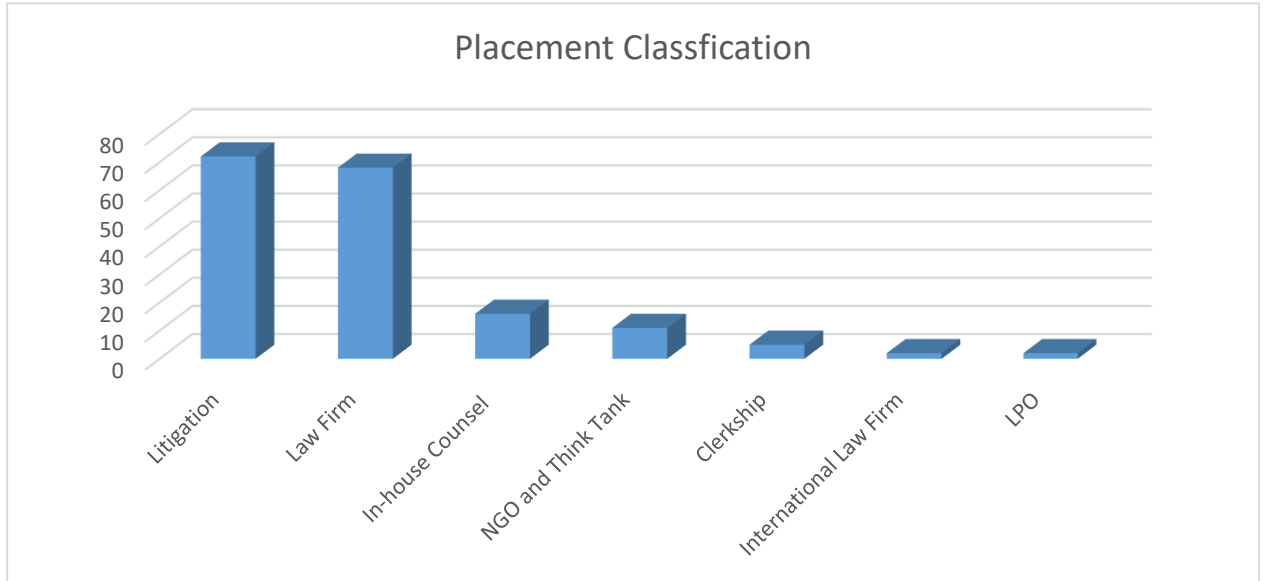

The Career Development and Placement Department Team at Jindal Global Law School takes immense pride in announcing the successful culmination of the final placements season for the Graduating Batch 2018.

On the behalf of the entire JGLS community, we would like to show our gratitude to the recruitment partners for their participation and continued trust shown in faculty and future lawyers of the country.
